### LEARN WITH LENTZ and LENTZ FOR THE PSAT/SAT EXAM

Sponsored by Bristol-Plymouth Technical High School & Bristol Plymouth Continuing Education

Dear Junior,

In October, you will probably be taking a test of crucial importance, the PSAT. The PSAT is the criterion for the National Merit Scholarship. We have researched the test carefully and are in a position to help you maximize your productivity. We offer a comprehensive 8 session course at a substantially discounted price. Many students fail to realize the SAT, a significant criterion for college admission, measures abilities acquired over an extensive period of time. We will familiarize you with test-taking techniques for the PSAT which will raise your scores markedly and we will teach you to use the special short cuts and methods of interpretation which will enable you to complete the PSAT test successfully and on time. Classes begin the week of Sept 8<sup>th</sup>. Call us for a free brochure and other pertinent information.
