

# Bristol-Plymouth Regional Technical School Building Project

Berkley | Bridgewater | Dighton | Middleborough | Raynham | Rehoboth | Taunton

The Bristol-Plymouth Regional Technical School has been invited into the Massachusetts School Building Authority (MSBA) grant program for the opportunity to make improvements to its aging facility originally built in 1972. The school is eligible for up to \$125.5 million in grants pending the District-wide approval for construction of a new school.

## Key Dates

### Virtual Info Sessions

Tues 2/15, 2/22, 3/1 6pm  
via Zoom. More info at  
[facebook.com/NewBPTech/  
events/](https://facebook.com/NewBPTech/events/)

### VOTE

Sat 3/5/22 9AM-3PM  
Voting locations listed at  
[www.bptech.org/msba](http://www.bptech.org/msba)

## Project Benefits

- ❖ New 21<sup>st</sup> century learning facility to serve 1,434 high school students in 19 vocational programs
- ❖ Increased capacity for night/continuing education students with the option to expand program offerings
- ❖ New building appropriately sized, with an increase in student enrollment
- ❖ Corrects site circulation issues and adds an emergency access road around the building for safety
- ❖ Modern shop equipment and technology

## Why this project?

A new building will address several factors impacting the current facility including:

- ❖ Energy efficiency & energy code challenges
- ❖ Asbestos concerns
- ❖ Outdated/failing building systems
- ❖ Extensive exterior envelope deterioration
- ❖ Undersized cafeteria forces 4 lunch periods
- ❖ Accessibility challenges
- ❖ No auditorium for student assembly
- ❖ Undersized classrooms and shop spaces
- ❖ Missing or outdated technology
- ❖ Traffic/safety site concerns

## VOTING INFORMATION

### YES VOTE

- Accepts \$125M in funding assistance from the MA School Building Authority
- District share is \$180M (each Town/City amount based upon % enrollment)
- Addresses severe overcrowding and provides opportunity for increased enrollment
- Construction complete in 2026, minimal disruption to school operations

### NO VOTE

- Declines \$125M in funding assistance
- \$137M estimated District cost for necessary building repairs and code upgrades
- Does not address severe overcrowding or provide any increased enrollment
- Construction complete ~2029, construction occurs in active school

**All Districts vote on MARCH 5, 2022, 9AM-3PM**  
**Details at [www.bptech.org/msba](http://www.bptech.org/msba)**
